Knowledge Central 7:30 a.m. – noon

Morning Sessions 8:30 a.m. – noon

May 30 – June 1

# WASHINGTON, D.C.

## Craft your agenda

Choose from a wide range of classes, demos, panels, and roundtables to create a schedule that fits your learning objectives. Attend a class and discover the latest software updates and insider functions to keep your skills sharp. Gain insight from experts and industry peers during a panel discussion. Explore new Yardi solutions with a hands-on demonstration. All sessions provide ample opportunity to ask questions, discuss your organization's challenges, and share information with industry experts.

## Keep on track

Take control of your YASC experience with the Yardi Events App. During the weeks leading up to YASC, you can log in from your computer or mobile device to browse courses, build your schedule, and download course materials. While at YASC, use the app to connect with peers at the event, leave feedback, schedule meetings with Yardi staff, and more.

## Get personal attention

### Knowledge Central

Open throughout YASC, Knowledge Central is your one-stop-shop for assistance from Yardi staff. Whether it's a new product you'd like to demo, a scenario with your current software that's been difficult to resolve, or anything else on your mind, come to Knowledge Central to get all your questions answered.

## Connect on social media

### The Networking Lounge

Take a moment to connect with others in your market or who share your interests in specific Yardi software solutions. Whether you're new to social media or you're a digital marketing guru, our team will be there to answer questions and help you deepen your connections. We'll also be running contests throughout the conference, so get engaged and share your experience using **#YASC2018** for conference news, prizes and more! You'll find us **@Yardi** on LinkedIn, Twitter, and Facebook, and **@YardiSystems** on Instagram.

## Live it up

Learning is first and foremost at YASC, but that doesn't mean you can't have a good time too! Join us for a Networking Reception on Wednesday evening with cocktails and heavy appetizers. It's a fun way to wind down and get to know Yardi staff and other YASC attendees.

## Have lunch and learn

Enjoy your lunch with a lively table discussion. We'll label each table with a topic, so take a look and choose one that piques your interest. You'll find others at the table ready to dive into the conversation, as well as a Yardi specialist to answer questions and share in the discussion.

And on Thursday night, it's time to party! Mix and mingle at the reception then sit down for a delicious dinner. Cap off the evening with music, dancing, and fantastic entertainment.
