-------------------	-----------	---	------

Morning Sessions	8:30 a.m.	-	noon
------------------	-----------	---	------

September 12 – 14

SAN DIEGO

Craft your agenda

Choose from a wide range of classes, demos, panels, and roundtables to create a schedule that fits your learning objectives. Attend a class and discover the latest software updates and insider functions to keep your skills sharp. Gain insight from experts and industry peers during a panel discussion. Explore new Yardi solutions with a hands-on demonstration. All sessions provide ample opportunity to ask questions, discuss your organization's challenges, and share information with industry experts.

Get personal attention

Knowledge Central

Open throughout YASC, Knowledge Central is your one-stop-shop for assistance from Yardi staff. Whether it's a new product you'd like to see, a scenario with your current software that's you would like to resolve, or anything else on your mind, come to Knowledge Central to get your software questions answered by the experts.

Live it up

Learning is first and foremost at YASC, but that doesn't mean you can't have a good time too!

Join us for a Networking Reception on Wednesday evening with cocktails and appetizers. It's a fun way to wind down and get to know Yardi staff and other YASC attendees.

And on Thursday night, it's time to party!

Mix and mingle at the reception then sit down for a delicious dinner. Cap off the evening with music, dancing, and fantastic entertainment.

Keep on track

Take control of your YASC experience with the Yardi Events App. During the weeks leading up to YASC, you can log in from your computer or mobile device to browse courses, build your schedule, and download course materials. While at YASC, use the app to connect with peers at the event, leave feedback, schedule meetings with Yardi staff, and more.

Connect on social media

The Networking Lounge

Take a moment to connect with others in your market or who share your interests in specific Yardi software solutions. Whether you're new to social media or you're a digital marketing guru, our team will be there to answer questions and help you deepen your connections. We'll also be running contests throughout the conference, so get engaged and share your experience using **#YASC2018** for conference news, prizes and more! You'll find us **@Yardi** on LinkedIn, Twitter, and Facebook, and **@YardiSystems** on Instagram.

Lunchtime discussions

We want to help you find your tribe during YASC. During lunches, look for the topic signs placed on certain tables to sit with fellow Yardi clients who share your interest, and a Yardi specialist ready to answer questions and facilitate the discussion.
