17–18 September, 2019

SYDNEY

Craft your agenda

A variety of topics and session types are available so you can craft the schedule and learning experience that works best for you!

With over 50 classes, demos, panels and roundtables, you're sure to find options to build your skills and expand your understanding of the Yardi ecosystem of software tools. Attend a class to expand your expertise. Gain insight from experts and industry peers during a round table discussion. Explore new Yardi solutions with a hands-on demonstration. All sessions provide ample opportunity to ask questions, discuss your organisation's challenges, and share your own insights.

Keep on track

Take control of your YASC experience with the Yardi Events App. During the weeks leading up to YASC, you can log in from your computer or mobile device to browse courses, build your schedule, and download course materials. While at YASC, use the app to connect with peers at the event, leave feedback, schedule meetings with Yardi staff, and more.

Check in with your office, onsite

The Coworking Lounge – Level 3

Need to check in with your colleagues back in the office, or just get through some of your everyday tasks between classes? We're providing a brand-new coworking experience at YASC, helping you keep on top of your busy schedule while on the go.

With barista-made coffee nearby, snacks available, power for your laptop, and high speed internet, this space is designed to help you get more from your time at YASC.

Understanding the cloud

Ever-popular at YASC, our cloud team will be back to answer your questions about the Yardi Cloud, and how your data is protected. Head up to their new work station on Level 3 to speak with the local experts!

Get personal attention

The Lab – Level 3

We've brought together a friendly group of experts that includes team leads, consultants, and senior account managers to answer your toughest questions, solve your trickiest challenges, and guide you through our newest software solutions.

This year, The Lab is in a new location on Level 3, one floor up from the classroom spaces. Head upstairs and make sure you don't miss out on the opportunity to receive tailored support!

Live it up

Learning is first and foremost at YASC, but that doesn't mean you can't have a good time too!

Join us at the Yardi Party for a fun way to wind down and get to know Yardi staff and other YASC attendees. We're rocking a tropical theme for 2019, with entertainment, music, food, and cocktails to match – don't miss out! Tropic like it's hot with us at Grain Bar.
