Craft your agenda

A variety of topics and session types are available so you can craft the schedule and learning experience that works best for you! With over 250 classes, demos, panels and roundtables, you have many ways to build your skills and expand your understanding of Yardi software. Attend a class to expand your expertise. Gain insight from experts and industry peers during a panel discussion. Explore new Yardi solutions with a hands-on demonstration. All sessions are an opportunity to ask questions, discuss your organization's challenges, and share your own insights.

Get personal attention
Knowledge Central

Did you know our Knowledge Central experts have an average Yardi tenure of nearly 5 years? We've brought together a friendly group of experts that includes team leads, consultants, and senior account managers to answer your toughest questions, solve your trickiest challenges, and guide you through our newest software solutions.

Celebrate with us!

Learning is first and foremost at YASC, but that doesn't mean you can't have a good time too!

Join us at the Networking Reception on Wednesday evening for cocktails and appetizers. It's a fun way to wind down and get to know Yardi staff and other YASC attendees.

And on Thursday night, it's time to party! The Yardi Party is always packed with music and fun with your new friends from the conference, and we've got big plans for our 20th anniversary, so you won't want to miss this!

Keep on track

Take control of your YASC experience with the handy Yardi Events App. During the weeks leading up to YASC, you can log in from your computer or mobile device to browse courses, build your schedule, and download course materials. While at YASC, use the app to connect with peers at the event, leave feedback, schedule meetings with Yardi staff, and more.

Connect with others
The Networking Lounge

Take a moment to connect with others in your market or who share your interests in specific Yardi software solutions. Whether you're new to social media or you're a digital marketing guru, our team will be in the Networking Lounge to answer questions and help you deepen your connections. We'll also be running contests throughout the conference, so get engaged and share your experience using **#YASC2019** for conference news, prizes and more! You'll find us **@Yardi** on LinkedIn, Twitter, and Facebook, and **@YardiSystems** on Instagram.
